## About The Author:

Connla Freyjason prefers to think outside the box, even as he practices the Old Ways. Having spent the past twenty years as a Pagan, he is fulltrui (a dedicant) of Freyja, a practicing vitki, and also a digital artist. The "presiding spirit" currently "horsed" by Ollamh Michelle Iacona, he is also the primary author of the Iaconagraphy blog.

Are you tired of hearing  
"you're doing it wrong"?

We cannot live as our Ancestors did, nor should we want to, but we can and should learn from them, and then take those lessons forward into our modern world. That is the soul of what it means to be a Norse Witch; to reclaim the Heidhrinn Heart. Celebrating the Spirit of the Norse Tradition, rather than treating History as the Letter of the Law, Norse Witch by Connla Freyjason invites you to journey down a spiritual path, shimmering with the myriad colors of the Northern Lights.

Highlights of that journey include:

- Devotional Acts
- Godfinding
- Jormungandr
- Wight-Walking
- Runelore
